Natural Aragon Oak

H1372 ST22 Natural Aragon Oak

We see Natural Aragon Oak as a successor to our very popular Light Ferrara Oak. This elegant oak has a **highly defined, natural grain**, with cross-fires and subtle planking.

ST22 is the perfect texture for this decor thanks to its somewhat linear design. In terms of application this decor is **extremely flexible** and can be used as both a carcass material but also as a premium MFC Door.

FULL BOARD SCAN

We've scanned a 2700 x 1300 mm board of this decor, so that you can appreciate the grain pattern.
