H3082 ST22 Amazonas

H3082 Amazonas is a very elegant reproduction of veneer made from Macassar. The trend for exotic decors was initially met with designs showing a lot of contrast within the grain. Now the trend is for more **elegant** and ultimately **higher value designs**.

This decor is ideal as a **contemporary** finish for customers who want an **exotic look** without being too garish.

H3082 Amazonas combines particularly well with F488 Quartz Cubanit.

FULL BOARD SCAN
