Become our Team Leader Laboratory Assistant in Gagarin!

The diversity of our 8.000 employees makes us a vibrant extended family. Many things in our work bring us together:

- The **pleasure** of doing things instead of just talking about them.
- The **stability** with which we develop.
- The **satisfaction** of accomplishing something every day.

We do not simply look for employees. We want people who share our values.

Your responsibilities:

- constant quality control of the products;
- quality control of raw materials, packaging and ready products on the production;
- documenting the results of the laboratory experiments;
- assisting laboratory manager in quality control of the products in accordance with standards and specifications.

Our requirements:

- chemical (technical) university degree;
- relevant experience in this field;
- fluent English/German language;
- legislation knowledge in quality and laboratory management;
- ability to work with documents and certificates.

We offer:

- Work in a fast growing European Multinational Company that is a world-leading company in its branch;
- Comprehensive induction program;
- Good working environment with a friendly and highly professional team;
- Professional development possibilities in an international sphere;
- Long-term employment with 28 days paid vacation;
- Medical insurance.

If you are interested in this opportunity, please send your application in English:
