Egger PRO Comfort Flooring with cork

When nature moves in

EGGER PRO Comfort Flooring with cork

Warm, soft and quiet, EGGER PRO Comfort Flooring is an ideal solution for any design style. The specialist cork layers provide noise-absorption as well as a warm, soft feeling underfoot.

Comfort Flooring is PVC free, consists of 90% renewable raw material, and has been sustainably sourced from trees in PEFC certified forests.

Choose from 20 trend led decors in our Comfort Flooring range, for use in living rooms, children's play areas and bedrooms.
