## Technical data sheet

### EGGER Corner and Connecting Elements

#### Application area

Preparation of skirting endings, corners and cutting edges of EGGER 6 cm skirting CUBICAL.

#### Material data

Parameter	Unit				
Material		Polystyrene			
Surface		UNI colored or digital printed			
Product		Outside	Inside	Connecting	Tail – right/l eft
Profile drawing					
Length	mm	16	16	16	22
Height	mm	59	59	59	59
Width	mm	7	7	12	22
Weight/piece	g	5	3,5	2	2
Paintable		No	No	No	No
Method of use		Accessories for skirting installation			
Packaging		Bag out of Polypropylene			
Storage		Plastic corner elements that are not used immediately must be protected from the weather. Avoid direct sunlight and UV radiation.			
Maintenance		Cleaning with a damp cloth. Do not clean with harsh solvents.			

## Logistic parameters

Description	Parameter	
Specifications bag	Quantity	2
	Dimension [mm]	150 x 100 x 20
	Weight [kg] +/- 10 %	0,012
Specifications package	Quantity	20 (10 bags)
	Dimension [mm]	200 x 115 x 80
	Weight [kg] +/- 10 %	0,125

### Information

All above mentioned values were determined under laboratory conditions and defined laboratory materials and may deviate from these test values. For all the mentioned performance values inaccuracies are possible owing to the testing methods. The information given above is based on our current state of knowledge and should be used for information of our product application. This should not be taken to as an assurance of certain quality of our products or their use for specific purposes. Subject to change, legal obligations cannot be derived from the information in this document. Existing commercial protective rights are to be observed.

### A note on validity

This technical data sheet has been carefully drawn up to the best of our knowledge. It is intended for information only and does not constitute a guarantee in terms of product properties or suitability for specific applications. We accept no liability for any mistakes, errors in standards, or printing errors. In addition, technical changes may result from the further development of EGGER accessories as well as changes to standards and public law documents. This technical data sheet is not an instruction for use and is not a legally binding document.
