

Revision: 02
Approved: 22.01.2024

Manufacturer Declaration on Asbestos in EGGER products

Since the discovery of its toxicity, asbestos has been banned in the European Union and in most other countries. Asbestos minerals have been used in some construction products in the past.

We hereby confirm that the six asbestos minerals are not added anywhere in the production of our products.

A handwritten signature in black ink, appearing to be "K. A.", written in a cursive style.
