

Technical data sheet

EGGER Clean It

Application area

The cleaner is developed for EGGER flooring products. Special components in this product provide significantly a reduced edge swelling on the planks. The cleaner increases slightly the gloss of the flooring and electrostatic qualities of the surface.

Standard data

Product	Clean It	
Material	Cleaner - liquid	
Colour	Orange	
Delivery form	Bottle	
Packaging	Bottle 1000 ml	
Approvals/ Certificates/ Declarations	See safety data sheet	
Dimension	mm	260 x 90 x 90
Weight	kg	1,07
Storage	Can be stored for at least 36 months in closed original containers. Store frost-free between + 10 and + 25 °C. Store under lock and key and out of reach of children.	
Transport classification	Not dangerous goods	

Logistic parameters

Description	Parameter	Value
Specifications package	Quantity	1
	Liter	1
	Dimensions [mm]	260 x 90 x 90
	Weight [kg]	1,054 +/- 5 %
Specifications pallet	Quantity	480
	Liter	480
	Dimensions [mm]	1200 x 800 x 1500
	Weight [kg]	500 +/- 10 %

Application

- Wipe with damp – not wet – cloth. Rinse and wring out cloth regularly. Wipe floor dry
- Mop up any moisture immediately
- It's very important to use a clean cloth. The cloth should not have been used with other cleaning products
- Dosing: 50 ml to 5 l water
- For increasing the anti-static effect of the cleaner or for dirty floors 100-120 ml to 5 l water
- Do not mix laminate cleaner with other products

Information

All above mentioned values were determined under laboratory conditions and defined laboratory materials and structures and may with different system flooring components deviate from these test values. For all of the mentioned performance values inaccuracies are possible owing to the testing methods.

The information given above is based on our current state of knowledge and should be used for information of our product application.

This should not be taken to as an assurance of certain quality of our products or their use for specific purposes. Subject to change, legal obligations cannot be derived from the information in this document. Existing commercial protective rights are to be observed.

A note on validity

This technical data sheet has been carefully drawn up to the best of our knowledge. It is intended for information only and does not constitute a guarantee in terms of product properties or suitability for specific applications. We accept no liability for any mistakes, errors in standards, or printing errors. In addition, technical changes may result from the further development of EGGER accessories as well as changes to standards and public law documents. This technical data sheet is not an instruction for use and is not a legally binding document.
