

# Attestation

## E1-1029

Herewith it is confirmed that in the first half of 2017 a regular supervision of the product

### EGGER laminate flooring class 31, 32 and 33

HDF, recipe: 623/663, laminated  
technical class: DIBt 100, E1; EN 13329, class 32,32,33  
in the thickness range:  $\leq 12$  mm

manufactured by

**EGGER Holzwerkstoffe Wismar GmbH & Co. KG**  
**Am Haffeld 1**  
**23970 Wismar**  
**Germany**

was carried out by the approved supervision body (NDS08)

### Fraunhofer-Institute for Wood Research

Wilhelm-Klauditz-Institut WKI  
Bienroder Weg 54 E, 38108 Braunschweig, Germany

according to supervision contract no. 0493 dated 20 December 2006. It was found that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation is part of the evaluation report and is valid for the following 8 months. The continuous external supervision of factory production control shall take place twice a year.

**Dipl.-Ing. Harald Schwab**  
Head of the Testing, Supervision  
and Certifying Body
